

GE's **GEC-212-5290** vandal proof camera is a cost-effective, reliable, easy to install and adjust varifocal dome camera. With an IP66 rating and 42 infrared LEDs offering night time operation at 0 lux to 20m, the GEC-212-5290 is an ideal choice for environmentally demanding applications.

Specifications

- Image Sensor: 1/3" Sony SuperHAD CCD
- Effective Pixels: PAL: 500 (H) x 582 (V)
- Sensing Area: 4.9mmx3.7mm
- Signal System: PAL
- Horizontal Resolution: 420TVL
- Minimum Illumination: 0.5Lux / F1.2, 0Lux (IR On)
- Lens Mount: Varifocal lens 3.5 to 8mm
- S/N Ratio: More than 48dB
- Shutter Speed: 1/50 (1/60) - 1/100,000 (sec)
- White Balance: Automatic White Balance
- Gamma Characteristics: 0.45
- Infrared Luminary: 42 pieces IR-LED
- Illuminate Distance: More than 20m
- Video Output: 1.0Vp-p, 75Ω
- Power Requirement: DC12V
- Power Consumption: 120mA (IR OFF), 400mA (IR ON)
- Dimension: 120mm (φ) x 95mm (H)
- Weight: 760g
- Material: Aluminium
